Filling in and signing this form by an author is tantamount to their consent to meet the requirements specified below:

- the submitted paper is an original study; its author assures that the content of the paper has been generated by the author and does not in any way infringe upon the intellectual property rights of any third parties;
- the submitted paper should not have previously been submitted or published elsewhere; in case a fragment of the submitted paper has been published elsewhere the author is obliged to obtain the permission of its previous publisher for a reprint;
- if the submitted paper utilises materials from a source which is subject to copyright, the author of the submitted paper is obliged to obtain permission for a reprint;
- the author who signs this form shall be responsible for the co-authors' compliance with the above requirements;
- in the case of published papers the copyright is transferred from the author to the publisher; the author furthermore agrees to have the paper published in the next volume of APHIDS AND OTHER HEMIPTEROUS INSECTS and in a PDF version on the internet website of APHIDS AND OTHER HEMIPTEROUS INSECTS.
