UNI 1 2015/16	University of Sassari Address: Piazza Università 21, 07100 Sassari www.uniss.it	School of Medicine Infectious Diseases Unit Via De Nicola 1 - 07100 Sassari	03 months (extensible)	Sept. - Dec. 2015 /Feb. - Apr. 2016	Dott. Giordano Madeddu Dipartimento di Medicina Clinica e Sperimentale UOC Malattie Infettive e-mail: giordano.madeddu@uniss.it	Prof. Maria Stella Mura Dipartimento di Medicina Clinica e Sperimentale e-mail: msmura@uniss.it  Administrative contact person: Sig. Giannina Branca e-mail gbranca@uniss.it tel +39 079228396	Only PG Medicine and Surgery students may apply. Language proficiency: B1 language level in English. B1 language level in Italian.	Recognition of Infectious Diseases -Knowledge of the main topics of clinical Infectious diseases and their medical treatment -Participation in training seminars and clinical case challenges. Main tasks: Inpatients - Take part in clinical ward activities including medical history collection , physical examination, instrumental work-up and diagnostic process outpatients - Management HIV, HCV, HBV and co-infected patients whit the supervision of an experienced Infectious Diseases specialists. Participation as observed in all stages of Clinical Trials including informed consent, enrollment and follow up. Participation in research and diagnostic laboratory activities including serology and molecular biology - Regular assessment of progresses made by the tutor.
UNI -2 2015/16	Università degli Studi di Sassari  Department of History, Human Sciences and Education  Address: Via Zanfarino 62, Sassari Tel: +39 079 229698 Fax: +39 079 229603 Mail: mgmelis@uniss.it www.uniss.it	Comunità alloggio Il Sogno  Address: via De Martini, 18 – 07040, Li Punti, Sassari Tel: +39 079 398300 Fax: +39 079 3027429 Mail: alsogno@libero.it http://www.cooperativailsogno.org/	3 months (may be extended)	Sept. - Dec. 2015 /Feb. - Apr. 2016	Marco Pondi  Tel:+39 079 398300 Fax:+39 079 3027429 Mail: alsogno@libero.it	Prof. Fabio Pruneri Department of History, Human Sciences and Education Address: Piazza Conte di Moriana 8, 07100 Sassari Tel: +39 3280185920 Fax:+39 079229779 Mail: pruneri@uniss.it Administrative contact person: Dott.ssa Carla Urgeghe email: curgeghe@uniss.it tel: +39079229953	Only UG/PG Educational Sciences students may apply. Language proficiency: B1 language level in Italian. ICT proficiency level: Working knowledge of basic software packages	Meeting with the managers of hosting facility. Initial observation and organization of the training activity. Intermediate meeting with the scientific tutor. Preparation of final report. Animation, sharing of the educational goals with the tutors appointed by the hosting institution. The trainee will be supported by an in-house tutor and a scientific advisor appointed by the University. The trainee will perform all the work activities agreed upon, according to the ordinary daily schedule set by the hosting institution. Know-how and skills expected to be acquired: Operational proficiency in contexts related to the education of children and adolescents. Development of powers of observation and socio-educational and cultural support capabilities in managing difficult subjects.
UNI 3 2015/16	University of Sassari Address : Piazza Università 21, 07100 Sassari www.uniss.it	Department of Chemistry and Pharmacy. Address: Via Vienna 2, 07100 Sassari	03 Months (extensible)	Sept. - Dec. 2015 /Feb. - Apr. 2016	Dr. Gabriele Mulas, Department of Chemistry and Pharmacy. Address: Via Vienna 2, 07100 Sassari, phone +39 079 229524, fax +39 079 229559 mail: mulas@uniss.it	Dr. Gabriele Mulas, Department of Chemistry and Pharmacy. Address: Via Vienna 2, 07100 Sassari, phone +39 079 229524, fax +39 079 229559 mail: mulas@uniss.it Administrative contact person: Dr. Marcella Garroni mail: mgarroni@uniss.it phone: +39 079 228601	Candidates could be PhD students in Chemistry, Physics or Materials Science, or could be students of Master Degree having a Bachelor Degree in Chemistry, or Materials Science Required language skills: English B2-B1.	Synthesis, structural and thermodynamic characterization of innovative nanosized materials for energy production and storage. (Evaluation of sorption properties of hydrogen storage systems; hydrogen production by water splitting process, preparation of electrode materials for Li-ion batteries).
UNI 4 2015/16	University of Sassari Address : Piazza Università 21, 07100 Sassari www.uniss.it	Department of Political Sciences, Communication and Information Engineering, Address: Viale Mancini 5, Sassari	03 months (extensible)	Sept. - Dec. 2015/ Feb. - Apr. 2016	Dott. Alessandro Lovari - Department of Political Sciences, Communication and Information Engineering - email: alovari@uniss.it	Prof.ssa Elisabetta Cioni Department of Political Sciences, Communication and Information Engineering email cioni@uniss.it - Address: Palazzo Zirolia, Piazza Università 11.	Only Communication Sciences, Sociology or Public Administration students may apply. Soft skills and knowledge of computer graphics and websites is required; Language proficiency: B1 language level in Italian B2 language level in English	The intern will cooperate in the activities carried out at the CEL (institutional communication and e-learning laboratory). During the internship the student will learn to realize online communication artifacts for the Department, carry out translation and creative writing activities, managing digital interfaces for public and academic communication.

March 2016	Dott.ssa Maria Grazia Pirisi email: minevaganti2010@gmail.com minevag@minevaganti.org	Dott.ssa Romina Deriu Department of Political Sciences, Communication and Computer Engineering tel: +39.079228880 email: rderiu@uniss.it	Only UG students enrolled on one of the following courses may apply: Political Sciences, Intrenational Relations, Communication Sciences, Foreign Languages. Experience: previous experience in the field of non formal education is preferable. The lack of experience is not considered an excluding criteria because thanks to the non formal education the intern will be involved in the daily activities. Language skills: B1 language level in English and A2/B1 language level in Italian (due to the contacts with the local community ). ICT proficiency level: Working knowledge of basic software packages Soft skills: open minded, ability to write projects in English, communication skills, time management, practical and concrete, sensitive with disability issues, pro-active attitude.	Fields of work: adults and youth mobility and training courses targeted at students or teachers. Subject: promotion of the youth/ adult mobility (LLP Programme, European youth Foundation and Youth in Action) and social work in the third sector all around Europe using non formal education method. The intern will support all activities carried out by Mine Vaganti EYG and will be in charge for writing new projects on youth/adult mobility. As Mine Vaganti daily deals with partners from Europe, the intern should be able to communicate both in English and in Italian, especially in order to interact with the local community to whom are mainly addressed the activities. The intern will support the association in the phases of writing and implementing several projects (especially local activities about sport as a tool of integration for people with physical disabilities and immigrants) and running info days about European Programme. The training activities will also include writing European Projects aimed at establishing new partnerships and support the implementation of activities on local project such as sport matches for immigrants, training courses for social workers and so on. Other practical activities could be planned during the afternoon (no opportunity to benefit of the mobility projects promoted by Mine Vaganti). According to the intern's mother tongue he/she can run workshops on his/her typical food, language courses targeted at students and local community using the non formal education method.

TAMALACA 2015/2015	Department of Architecture, Design and Urban Planning - University of Sassari Palazzo del Pou Salit - Piazza Duomo 6, 07041 Alghero (SS) <a href="http://www.tamalaca.uniss.it/">http://www.tamalaca.uniss.it/</a>	TaMaLaCà –TuttaMiaLaCittà _ Research and Action Group on Urban Rights Department of Architecture, Design and Urban Planning. University of Sassari spin-off.  Palazzo del Pou Salit - Piazza Duomo, 6 07041 Alghero (SS)	03 months	September - December 2015 / Feb. - Apr. 2016	Ing. Valentina Talu TaMaLaCà –TuttaMiaLaCittà _ Research and Action Group on Urban Rights Department of Architecture, Design and Urban Planning. e-mail: gruppotamalaca@gmail.com	Prof. Arnaldo Cecchini e-mail: cecchini@uniss.it Administrative representative contact: Dr. Barbara Silveri e-mail bsilveri@uniss.it	The candidate must demonstrate that has sensibility and expertise in the design, development and management of projects related to the field of unconventional communication, sensitive languages, towards inclusion and involvement orientated. Creative thinking which requires a curious, open-minded, flexible, divergent, explorative, investigative approach; Critical thinking which requires questioning, clarifying, planning, analysing, examining and testing information and ideas; Reflective thinking which requires a metacognitive approach, seeking and considering feedback, reflecting on progress and processes, making links and connections with broader issues and the work of others. Language skills. English: B1 level; Italian: B1 level. Technical skills: Microsoft Office, Photoshop/ Corel draw, Illustrator, Indesign, After effects, Premiere. Resources include: computers; printers; web access; a range of software tools including applications to support the creation and manipulation of text, graphics and images; and input devices such as scanner, digital camera and tablet.	Participation in all stages of Tamalacà activities, like observation and urban micro-transformation, but also in order to create a collective and educational awareness moment and put in touch of know-how and insurgent creativity to push the different participants, through some playful-participatory actions, to redevelop/recovery and multiply/increase public spaces-prêt-à-porter and an opportunity to become involved in civic, social and cultural transformation. Realize supplies and mobile to regain marginal and invisible spaces (but potentially public) with modular structure that colonizes the outside space. Main tasks Participation in specific Tamalacà project in fieri. : - "ExtraPedestri - Lasciati conquistare dalla mobilità aliena", to design and development of a viral and not-conventional advertising campaign related to the focus and goal of the project to support and sustain the other phases; - design for innovative products/services for the promotion of urban rights and for sensitising and mobilising the citizens to the issue of urban transformation, in order to promote ideas and projects built with the inhabitants. Partecipation in traning seminars and workshop. Participation in Tamalacà research and laboratory, with the methodology that we used to complete our projects as a "team work", understood as a set of individuals with singular expertise, experience, creativity and sensitivity that are compared critically in order to find solutions that are actually transdisciplinary and consider the original problems in their real complexity. Regular assessment of progresses made by the tutor.
