4	Student knows the rules of EU's functioning, character of European Union law, Union system of legal protection and has knowledge on the EU policies and international political, security and economic cooperation principles between Member States	K_W07
5	Student has basic knowledge on trends of EU and Polish Foreign Policy	K_W09
UMIĘJĘTNOŚCI		
1	Is able to analyze basic social, political and economic processes of the national, regional and international scope	K_U01
2	Is able to foresee trends in the process of regional integration and international cooperation. Uses for this purpose information technology instruments	K_U02
3	Student has ability to negotiate and mediate in the economic and social matters at a basic level	K_U06
KOMPETENCJE SPOŁECZNE		
1	Student has competence to work in group and to create the work of the group	K_K02
2	Student understands the need for the permanent mobility at the labour market	K_K03
3	Student has competence to participate in social, political and economic initiatives	K_K04

IV. Opis przedmiotu/ treści programowe

The course is an introduction to the history, decision-making process, and challenges facing the Common Foreign and Security Policy (CFSP) and the Common Security and Defense Policy (CSDP). Students will be introduced to the history of European foreign policy and defense policy cooperation since the 1950s, including the creations of the EU institutions responsible for international relations. Special attention will be given to the strengthening of European foreign, security and defence policies since the Treaty of Lisbon and the EU relations with third countries, regions and the others international institutions.

Topics covered by the course:

1. The European Union as an international actor: main concepts and debates
2. International roles of the European Union: the EU as a military or soft power?
3. Development of capabilities of the European Union in foreign relations
4. Powers and instruments of the EU in the field of the Common Foreign and Security Policy
5. Decision-making and the institutional set-up in the field of external relations: the European Council, the Foreign Affairs Council, the High Representative of the Union for Foreign Affairs and Security Policy, the European Commission, the European Parliament, the [European External Action Service](#), EU delegations
6. Trade relations: the European Union as the world's biggest trader
7. Activities in the field of the Common Foreign and Security Policy (CFSP) and the Common Security and Defence Policy (CSDP) – EU operations and missions, PESCO,
8. Enlargement policy of the EU
9. European Neighbourhood Policy: the EU as a normative power?
10. Eastern Policy of the EU; EU relations with Russia, Ukraine and Moldova, Belarus and Southern Caucasus countries
11. New dimension of the transatlantic relations: the EU – US
12. EU and other states, regions and group of states (China, Western Balkans, Central Asia, Black Sea Synergy, UN, OTAN)
13. EU development policy
