

Internship Offer – SAP & ERP Consultant Intern

Company: Elasap

Location: Crotone, Calabria, Italy

Duration: 3 months to 1 year

Working hours: Full-time (8 hours/day, Monday to Friday)

Compensation: €400/month

About Elasap

Elasap is a consultancy company specializing in SAP and other ERP systems. We support clients across various industries in optimizing their business processes through the implementation and customization of enterprise software solutions.

Internship Description

We are looking for a motivated Erasmus student to join our team as a **SAP & ERP Consultant Intern**. During the internship, the candidate will support our consultants in real-world projects, gaining valuable experience in ERP systems, particularly SAP.

This is a hands-on opportunity to learn the fundamentals of ERP consultancy, system configuration, and business process analysis.

Main Responsibilities

- Assist consultants in analyzing client needs and system requirements
- Support in ERP/SAP configuration and testing
- Help prepare documentation, training materials, and reports
- Participate in meetings with clients and internal teams
- Conduct research on ERP solutions and updates

Candidate Profile

- Bachelor's degree completed

- Enrolled in a Master's degree program in Management or Industrial Engineering, other Engineering areas or Economics
- Strong interest in ERP systems and business process optimization
- Basic understanding of SAP or other ERP platforms is a plus (not mandatory)
- Good communication skills in English (Italian is a plus)
- Ability to work in a team and willingness to learn

What We Offer

- Real project experience with SAP and other ERP systems
- Mentorship from experienced consultants
- Exposure to client-facing activities
- Professional development in a growing consultancy firm
- Monthly compensation of €400
- Friendly and supportive work environment
