

Hello,

My name is Álvaro Domínguez, head of human resources at Euromind. I am contacting you to offer your students the possibility of completing an unpaid internship in our company.

We are looking for students with a linguistic profile, but we also accept students from the Humanities and Social Sciences fields. The students must have a good level of Spanish and English.

It is compulsory for the students to carry out their internship within the Erasmus+ programme. The internship we are offering is unpaid, so it would be highly desirable for the student to be a beneficiary of the grant. To facilitate the student's stay, we offer free lunches.

In the document I am sending you attached to this email you will find more information about this internship, which I am sure will be very beneficial for your students.

Thank you and best regards,

ÁLVARO DOMÍNGUEZ
