

## **PROF. MARIO PACE**

serves as a Resident Professor and Head of the Department of Languages and Humanities Education at the University of Malta. A distinguished expert in foreign language teaching and intercultural communication, he chairs the Master in Education Board of Studies and oversees multiple postgraduate programs within his Faculty. His contributions have played a vital role in shaping the training of future language educators. As an Honorary Fellow of the Teaching & Education Research Association (TERA) and a sought-after keynote speaker at international conferences, he holds a significant position in the global academic community. Additionally, he has advised the Minister of Education on Foreign Language Teaching and led transformative initiatives in this field.
