### **The winner of the 7<sup>th</sup> Student Literary Competition**

The jury, consisting of Dr. Łukasz Borowiec and Prof. Urszula Niewiadomska-Flis, decided to award the first prize to the poem “november 7” in appreciation of its intriguing personal tone and moving emotional load, all compressed into elegantly controlled poetic form.

All the contest participants have demonstrated distinct literary aptitude, but the winning text is exceptional due to its interesting imagery which builds the poem’s underlying tension. We do hope this is not the author's last venture into creative writing and wish all best with future efforts.

The author of the poem is **Ms Paulina Supernat**, a student of the 2<sup>nd</sup> year MA studies.
