### **The winner of the 8<sup>th</sup> Student Literary Competition**

The jury, consisting of Dr. Łukasz Borowiec and Prof. Urszula Niewiadomska-Flis, decided to award first prize to the short story “Crimson Red and Navy Blue.” All the contest participants have demonstrated distinct literary aptitude, but the winning text's exceptionality lies in its vivid language as well as suspenseful narration combined with expert editing. In effect, the awarded story makes a compelling read with an intriguing open ending. We do hope this is not the author's last venture into creative writing and wish all best with future efforts.

The author of the short story is **Ms Wiktoria Jajko**, a student of the 2<sup>nd</sup> year BA studies.
