

Hemipterological Group  
Polish Entomological Society

**MONOGRAPH**  
**APHIDS AND OTHER HEMIPTEROUS INSECTS, 15**

MONOGRAFIA  
MSZYCE I INNE PLUSKWIAKI, 15

**The John Paul II Catholic University of Lublin**  
**Lublin 2009**

### **Editor in Chief**

ELŻBIETA CICHOCKA

The John Paul II Catholic University of Lublin, Department of Nature Preservation, Lublin, Poland

### **Editorial Committee**

WOJCIECH GOSZCZYŃSKI

The John Paul II Catholic University of Lublin, Department of Plant Protection, Lublin, Poland

BOGUMIŁ LESZCZYŃSKI

University of Podlasie, Department of Biochemistry and Molecular Biology, Siedlce, Poland

RIMANTAS RAKAUSKAS

University of Vilnius, Department of Zoology, Vilnius, Lithuania

MARIA RUSZKOWSKA

Institute of Plant Protection, Department of Entomology, Poznań, Poland

BARBARA WILKANIEC

Agricultural University of Poznań, Department of Entomology, Poznań, Poland

WACŁAW WOJCIECHOWSKI

University of Silesia, Department of Zoology, Katowice, Poland

### **Reviewers**

ELŻBIETA CICHOCKA

| Factors determining the number of aphids /Hemiptera, Aphidoidea/<br>in conventional and organic potato crops .....                                                                           | 85  |
| CEZARY SEMPRUCH, BOGUMIŁ LESZCZYŃSKI, AGNIESZKA WÓJCICKA,<br>DOMINIKA MINCEWICZ, WOJCIECH SZLENDEK                                                                                           |     |
| Comparison of <i>Sitobion avenae</i> (Fabricius, 1775) and <i>Rhopalosiphum padi</i><br>(Linnaeus, 1758) /Hemiptera, Aphidoidea/ performance on winter triticale ..                          | 107 |
| KATARZYNA GOLAN, JADWIGA GAWŁOWSKA                                                                                                                                                           |     |
| Entomofauna of deciduous shrubs of the city of Lublin (2005-2006) .....                                                                                                                      | 121 |
| MAGDALENA LUBIARZ                                                                                                                                                                            |     |
| Domination structure of group of phytophagous hemipterous insects,<br>aphids and scale insects on <i>Quercus robur</i> L. in natural and degraded<br>landscape of the region of Lublin ..... | 133 |

BOŻENA ŁAGOWSKA, KATARZYNA GOLAN

Scale insects /Hemiptera, Coccoidea/ as a source of natural dye  
and other useful substances ..... 151

ELŻBIETA WOJCIECHOWICZ-ŻYTKO

Predatory syrphids /Diptera, Syrphidae/ and ladybird beetles  
/Coleoptera, Coccinellidae/ in the colonies of *Aphis fabae* Scopoli, 1763  
/Hemiptera, Aphidoidea/ on *Philadelphus coronarius* L. .... 169

ELŻBIETA WOJCIECHOWICZ-ŻYTKO, ANDRZEJ WNUK

The occurrence of Coccinellidae /Coleoptera/ in *Aphis fabae* Scopoli, 1763  
/Hemiptera, Aphidoidea/ colonies on broad bean intercropped with phacelia 183

BEATA JANKOWSKA, ANNA WILK

The impact of plant water extracts from *Calendula officinalis* L.  
and *Euphorbia cyparissias* L. on the occurrence of *Brevicoryne brassicae*  
Linnaeus, 1758 /Hemiptera, Aphidoidea/ and its parasitoid *Diaeretiella rapae*  
(M'Intosh, 1855) /Hymenoptera, Ichneumonoidea/ ..... 195
