

# What is E-LOCAL for all

?

**E-LOCAL for all is a project financed by the EU,  
with the goal of promoting the acquisition of six languages  
and cultures online:**

- Dutch
- Finnish
- Hungarian
- Italian
- Polish
- Portuguese

Level of proficiency: A1  
Methodology: e-learning  
Vehicular language: English

E-LOCAL for all gives you a chance to learn a language at your pace.

**Join a virtual tour with E-LOCAL for all:  
visit a new country, learn a new language,  
meet new people.**

# Why E-LOCAL for all

?

**Participating in this project will allow you to:**

- experience a new foreign language
- explore the culture and the customs of another country
- get in touch with young people from several countries
- study at home – totally free
- increase your future employability
