Abstract: The European Marian Network links twenty Marian Sanctuaries the same as the number of decades in the Rosary. The best known Sanctuary of each European country was chosen – also *The Sanctuary of Our Lady of the Visitation* in Levoča (Slovakia). The Sanctuary Rectors and Animators from the twenty members of the Network meet each year to get to know each other better and, above all, to understand better the needs of the millions of pilgrims and visitors who frequent these Sanctuaries. This paper informs about annual conferences of The European Marian Network in 2006 – 2010 and especially about participation of the Sanctuary of Levoča at these conferences.
